UNITED STATES INDIAN SERVICE

Census Rolls.

Cushman Indian School,  
Tacoma, Wash., June 24, 1913.

The Honorable  
Commissioner of Indian Affairs,  
Washington, D. C.

Sir:

Referring to Office letter of December 21, 1912, which returned the census rolls submitted from this agency for the years 1911 and 1912 for correction and comparison, I have the honor to state that our census rolls are considerably confused owing to the fact that a number of Indians living on other reservations have been allotted on the Quinalt Reservation. Up to the present time we have made no systematic attempt to transfer the names of such Indians from the census rolls on which they have formerly been carried to the Quinalt census rolls, where they now properly belong. It is evident, however, that in some cases their names have been taken up on the Quinalt Rolls but not dropped from the rolls on which they were formerly carried, hence the duplications noted in your letter referred to above.

Upon looking this matter over it is evident that to make a satisfactory correction of the duplications

2. Commissioner.

and errors in our present census rolls it will be necessary to make a complete new set of census rolls for all the reservations under this jurisdiction, and while so doing to make a systematic comparison of the names, census numbers and allotment numbers as shown on all the various rolls, and also make a careful comparison of the ages as shown on the census rolls with those shown on the allotment rolls. We are now working upon these new census rolls and have been for some time, and are preparing to submit at the beginning of the fiscal year a set of census rolls that will show the facts as nearly as we can ascertain them.

I am therefore returning herewith the census rolls for the years 1911 and 1912 with the corrections to the same as shown below to be filed in connection therewith.

The following instances are duplications and the names refer to one and the same person:

Annie Chepalis #13, Quinaielt and Mrs. John Chepalis #66 Quinaielt Supple. are one and the same.  
Percy Mason #150 Quinaielt, and Percy A. Cultee #94 Quinaielt Supple. are one and the same person.  
Edna Harlow #4, Queets, and Edna Harlow #131 Quinaielt Supple. are one and the same.

is not a duplication.

4. Commissioner.

For the information of the Office I desire to say that we are preparing the census rolls for 1913 with the names of all persons who have been allotted on the Quinaielt Reservation and the names of all persons who have been approved for allotment thereon, on the Quinaielt census roll, regardless of where they live or on what census roll they have formerly been carried. I will say also that there will be no supplemental roll for the Quinaielt Reservation this year, but that all names in any way connected with the Quinaielt Reservation will appear on the regular Quinaielt roll. We are making a strong endeavor to have the new census rolls which will be submitted for the year 1913, correct as to ages as well as in other respects, and these census rolls will be the basis of all our census statistics in the future.

Very respectfully,

Supt. & Spl. Dist. Agent.

QUINAIELT CENSUS ROLL.

1913.

All of the Quinaielt Indians are listed on one Census Roll this year instead of separate rolls for the Quinaielt Proper, the Quinaielt Supplemental, the Georgetown and the Queets as it was in 1912.

In the column for the previous number all of the numbers to which there is no letter suffixed refer to the Quinaielt Roll for 1912, all numbers to which the letter A is suffixed refer to the Quinaielt Supplemental Roll for 1912, all numbers to which the letter B is suffixed refer to the Georgetown Roll for 1912, and all numbers to which the letter C is suffixed refer to the Queets Roll for 1912.

It will be noted that there are a number of names of Indians who are dead listed on this roll, but which are not counted in numbering. These deaths had not been noted in making up the previous rolls and they are listed on this roll merely to account for them and have not been counted in the numbering.

*Numbers 351, 420, 592, 593, 594 and 595 were listed by mistake and should not appear upon this Roll.*
